2. WHAT ARE COOKIES?

Cookies are small text files that are stored on your device when you visit a website.

They allow a website to remember certain information about your visit, your device or your preferences.

Cookies can be used for purposes such as:

- enabling essential website functionality;
- remembering user preferences;
- maintaining secure website sessions;
- processing bookings or payments;
- understanding how visitors use a website;
- measuring website performance;
- measuring the effectiveness of marketing campaigns; and
- personalising advertising where permitted.

Similar technologies, such as pixels, tags, local storage or software development tools, may perform comparable functions.

For simplicity, this Cookie Policy refers to these technologies collectively as **“cookies”** unless otherwise stated.

3. WHAT TYPES OF COOKIES MAY WE USE?

Padelandmatch.com may use the following categories of cookies.

A. Strictly Necessary Cookies

These cookies are necessary for the website to function properly or to provide a service specifically requested by you.

They may be used for purposes such as:

- website security;
- fraud prevention;
- maintaining website sessions;
- remembering cookie consent choices;
- enabling forms;
- managing event registrations;
- supporting ticket purchases;
- processing payments; and
- ensuring essential website functionality.

Because these cookies are necessary for the operation of the website or a service you request, they may not require prior consent under applicable law.

Disabling these cookies through your browser may prevent parts of padelandmatch.com from functioning correctly.

B. Functional Cookies

Functional cookies may allow the website to remember choices you make and provide enhanced functionality.

For example, they may remember:

- language preferences;
- location or city preferences;
- event preferences; or
- other website settings.

Where required by applicable law, these cookies will only be activated after you have provided consent.

C. Analytics and Performance Cookies

Analytics cookies help us understand how people use padelandmatch.com.

They may provide information such as:

- how visitors arrive at the website;
- which pages are visited;
- how long visitors spend on particular pages;
- which events receive the most interest;
- how visitors navigate through the website;
- whether technical errors occur; and
- how effectively the website converts visitors into registrations or ticket purchases.

We may use this information to improve the Pádel & Match website, event discovery process and overall customer experience.

Where consent is legally required, analytics cookies will not be activated until you have given your consent.

D. Advertising and Marketing Cookies

Pádel & Match may use advertising or marketing technologies to measure and improve promotional campaigns.

For example, these technologies may help us understand whether someone visited padelandmatch.com after seeing a Pádel & Match advertisement on another platform.

They may also allow advertising platforms to measure conversions or, where permitted, help us show relevant Pádel & Match advertising to people who have previously interacted with our website.

These technologies may be provided by third-party platforms such as social media or online advertising providers.

Where required by applicable law, advertising and marketing cookies will only be activated after you have given consent.

4. FIRST-PARTY AND THIRD-PARTY COOKIES

Cookies may be either first-party or third-party cookies.

First-party cookies are placed directly by padelandmatch.com.

Third-party cookies are placed or controlled by another organisation whose technology or service is used on our website.

Third-party technologies may potentially be used in connection with services such as:

- website hosting;
- website analytics;
- event registration;
- ticketing;
- payment processing;
- embedded content;
- social media;
- advertising; and
- conversion measurement.

Third-party providers may process information according to their own privacy and cookie policies.

We aim to use reputable providers and to limit third-party technologies to those reasonably required for operating, analysing or promoting Pádel & Match.

5. EVENT REGISTRATION, TICKETING AND PAYMENTS

Padelandmatch.com may integrate with third-party booking, ticketing or payment services.

For example, payments may be processed through a payment provider such as Stripe or another payment service provider.

These services may use cookies or similar technologies that are necessary to:

- process transactions;
- maintain secure payment sessions;
- prevent fraud;
- remember transaction status; or
- provide their services.

Where a third-party service independently determines how it processes information, its own privacy and cookie policies may apply.

Pádel & Match does not need to store your complete payment card details where payment information is processed directly by an independent payment provider.

6. SOCIAL MEDIA

Pádel & Match operates social media accounts, including **@padelandmatch on Instagram**.

Our website may contain links to social media platforms or may in the future contain embedded social media functionality.

Social media platforms may use their own cookies or tracking technologies when you interact with their services.

Pádel & Match does not control cookies placed independently by social media platforms.

Your interaction with those platforms is also subject to their respective privacy and cookie policies.

7. COOKIE CONSENT

When you first visit padelandmatch.com, you may be presented with a cookie consent banner or preference tool.

Where required by applicable law, optional cookies will not be activated unless and until you provide the appropriate consent.

You should be able to choose whether to accept or reject categories of non-essential cookies.

Strictly necessary cookies may remain active because they are required for the website or a service you have requested to operate correctly.

Where available, the cookie preference tool may provide options such as:

Accept all

Allows the use of all available cookie categories.

Reject non-essential cookies

Only cookies that are necessary for the website and requested services will be used.

Manage preferences

Allows you to select which optional categories of cookies you wish to permit.

Your choice should not prevent you from accessing the basic content of padelandmatch.com merely because you declined optional cookies.

8. CHANGING OR WITHDRAWING YOUR CONSENT

Where processing is based on consent, you may change your cookie preferences or withdraw your consent at any time.

Where available, you can do this through the **Cookie Settings** or similar link provided on padelandmatch.com.

Withdrawing consent does not affect the lawfulness of processing carried out before consent was withdrawn.

You may also be able to delete or block cookies through your browser settings.

9. MANAGING COOKIES THROUGH YOUR BROWSER

Most internet browsers allow you to control cookies through their settings.

Depending on your browser, you may be able to:

- view stored cookies;
- delete individual cookies;
- delete all cookies;
- block cookies;
- block third-party cookies; or
- receive a warning before cookies are stored.

Blocking all cookies may affect the functionality of padelandmatch.com and other websites.

The exact procedure depends on the browser and device you use.

10. COOKIE DURATION

Cookies may be either session cookies or persistent cookies.

Session cookies normally expire when you close your browser.

Persistent cookies remain on your device for a defined period or until you delete them.

The duration of a cookie depends on its purpose and the technology or service provider responsible for it.

We aim not to retain cookie-derived information for longer than reasonably necessary for the purpose for which it was collected.

Where a cookie consent management tool is used, more detailed information about individual cookies, their providers, purposes and duration may be made available through that tool.

11. PERSONAL DATA AND COOKIES

Some information collected through cookies may constitute personal data under applicable data protection law.

Depending on the technology used, this may include information such as:

- IP address;
- device identifiers;
- browser information;
- approximate location;
- website activity;
- referring source;
- advertising identifiers; or
- information associated with a booking or website session.

Where cookie information constitutes personal data, it will be processed in accordance with our **Privacy Policy** and applicable data protection legislation, including the General Data Protection Regulation (GDPR) where applicable.

12. INTERNATIONAL DATA TRANSFERS

Some third-party technology providers may process information outside Spain or the European Economic Area.

Where personal data collected through cookies or similar technologies is transferred internationally, appropriate safeguards will be used where required by applicable data protection law.

Depending on the provider and destination, these may include an adequacy decision adopted by the European Commission, approved contractual safeguards or another lawful transfer mechanism.

Further information regarding international data transfers is available in our Privacy Policy.

13. COOKIES AND CHILDREN

Pádel & Match events are intended for adults aged 18 or over, unless a higher minimum age is specified for a particular event.

Padelandmatch.com is not intended to provide dating or matching services to children.

We do not knowingly use cookies for the purpose of profiling children for Pádel & Match dating or matching activities.

14. CURRENT COOKIE LIST t.b.d. soon

The specific cookies used by padelandmatch.com may change as the website develops and as services are added, removed or updated.

Where technically available, the most current information about individual cookies may be displayed through the website's cookie consent or preference tool.

This information may include:

- cookie name;
- provider;
- purpose;
- category; and
- duration.

Pádel & Match will review its cookie information when material changes are made to the website or its technology providers.

15. CHANGES TO THIS COOKIE POLICY

We may update this Cookie Policy from time to time to reflect changes in:

- the Pádel & Match website;
- our event or booking systems;
- analytics tools;
- advertising technologies;
- service providers;
- applicable law; or
- regulatory guidance.

The latest version will be published on **padelandmatch.com**.

The “Last updated” date at the beginning of this policy indicates when the policy was most recently revised.

16. RELATIONSHIP WITH OUR PRIVACY POLICY

This Cookie Policy specifically explains our use of cookies and similar technologies.

For more information about how Pádel & Match collects, uses, shares, stores and protects personal information, as well as your rights under applicable data protection law, please read our **Privacy Policy**.

- request access to your personal data;
- request correction of inaccurate information;
- request deletion in certain circumstances;
- request restriction of processing;
- object to certain processing;

These rights are subject to applicable legal conditions and exceptions.
